**ORDER:**

In the 1<sup>st</sup> read above, the Director of Insurance Medical Services, A.P., Hyderabad has submitted the details of Medical Officers who have been unauthorisedly absent from duty for some time and subsequently reported for duty. The Director of Insurance Medical Services has further represented the Government that those who had reported back to the Insurance Medical Services Department from the unauthorized absence may be considered for a lenient view for departmental action as the Insurance Medical Services Department is facing acute shortage of Medical Officers and to avoid inconvenience to the Insured Persons and their dependents in providing medical care. It is also reported that the Medical Officers were unauthorisedly absent due to various reasons including prosecution of Post Graduate studies.

2. In the reference 2<sup>nd</sup> read above, the Government have issued the orders that in all the cases of unauthorized absence to duty for a continuous period exceeding one year, the penalty of removal from service shall be imposed on the Government employee, after duly following the procedure laid down in APSC(CCA) Rules, 1991. It has been that due to shortage of Medical Officers, the penalty of removal from service in respect of unauthorized absence of doctors as ordered in G.O.Ms.No. 260. G.A. (Ser.C) Department dated 04.09.2003 is not being followed in H.M. & F.W department, and action is being taken as per Govt. Memo No. 29770/H1/99-2, HM &FW Dept, dated 21.01.2000 i.e the punishment of stoppage of increments and treating the absence period as 'Dies-Non'.
3. Government, after careful examination, in consultation with G.A(Ser.D) Department and hereby order to impose a major punishment of stoppage of one annual grade increment with cumulative effect for each year of unauthorized absence and to treat the period of absence as "Dies-Non". (Annexure – I enclosed)
4. In respect of such Medical Officers who were unauthorisedly absent for more than one year and the reason for such absence was for acquiring higher qualifications such as P.G Degree / Diploma etc., only the major punishment of stoppage of one annual grade increment with cumulative effect for each year of absence will be imposed , the period be treated as Leave for which the individual is eligible (Annexure-IA enclosed).
5. The Director of Insurance Medical Services, A.P., Hyderabad is, accordingly, requested to take further necessary action as per APSC (CCA) Rules, 1991 and send a compliance report to Government, as early as possible.
